**Description:**

**About the Author** A fan of Jane Austen since having to study *Pride & Prejudice* for her English Literature O Level in 1978, Cassandra Grafton has been indulging her passion for all things Austen for many years. Having long wanted to be a writer, the two came together in recent years, and she is now publishing her endeavours in the hope that people will enjoy reading her stories with as much

pleasure as she had in writing them.

A former college lecturer (and now a PA), Cassandra is British born and bred (though she did live in the USA for five years). She has two grown up children and splits her time between North Yorkshire, where she lives with her husband and two cats, and Regency England, where she lives with her characters.
