Description:

Concoction Butler, born in the city of Chicago, is a self-made boss in her own right. While recovering from almost being murdered, she finds out the paternity of her twin daughters. Now she's left speechless and confused trying to decide who she'll spend the rest of her life with.

When Siren decides he'll stop at nothing to win her heart back, Spade is on the same page and has plans of his own to also win her back. Neither man is willing to let her go without a fight.

When she's just about to make a choice, all hell breaks loose and lives are lost while others will be destroyed.

When tragedy strikes and threatens to take the two men who would move heaven and earth for her, Concoction vows to do any and everything in her power to protect those men.

Betrayals in the worst will start to surface and no one will see them coming. Concoction along with her sister Rasheemah sets off for the ultimate revenge on the very ones who seek to destroy their lives and the people they love. Truths will be revealed and lies will be uncovered but in the end..... Somebody will lose their life
