Description:

Review

"Professor Bawcutt has produced an edition that should flourish in the classroom. The introduction is both thorough and user-friendly, while the notes consistently promote clear explication. Overall the edition is crisp, efficient, and illuminating."--Ronald J. Boling, Lyon College

Book Description Like every other play in the Cambridge School Shakespeare series, Measure for Measure has been specially prepared to help all students in schools and colleges. This version of Measure for Measure aims to be different from other editions of the play. It invites you to bring the play to life in your classroom through enjoyable activities that will help increase your understanding.

You are encourage to make up your own mind about the play, rather than have someone else's interpretation handed down to you. Whatever you do, remember that Shakespeare wrote his plays to be acted, watched and enjoyed. --This text refers to the edition.
