Description:

This book is loosely related to "Scarred and Kilt" from the anthology *Something Wicked This Way Comes, Volume Two*.

Jasmine met the guy of her dreams, who unfortunately wasn't interested. She's spent a year filled with lustful fantasies and soul-deep yearning for a man who doesn't want her. Now she's locked away in a dark hole, kidnapped by a madman, her life almost over. She'll never know what could have been, if only he'd felt the same.

She was supposed to be his a year ago, but Chase had walked away to protect her from his world. He's a mixed-breed - vampire and werewolf - and his list of enemies is endless. His current mission is to hunt down and kill a rogue vamp who's preying on humans, but what Chase finds changes everything - Jasmine's one of the victims. Instinct demands he protect her, possess her. He won't be denied again. This time, she's his - for keeps.
