**Description:**

The Paleo Autoimmune Protocol (AIP) is a diet and lifestyle program designed to reduce inflammation, heal digestion, deliver nutrition that supports health, and ultimately reverse autoimmune disease. It's not a cure, but it can make a powerful difference in how you feel. The author knows this first-hand. She uses the AIP to manage rheumatoid arthritis. This book is designed to make the transition to the AIP easier. It contains all of the essential information in a package small enough to throw in your purse or backpack. It's simple enough that even someone with brain

fog can understand. And it's written like a conversation between friends.
