Description:

The most authoritative and comprehensive text in Abnormal Psychology, now with DSM-5 coverage throughout.

The esteemed author team of Jim Butcher, Jill Hooley, and Sue Mineka offers students the most thoroughly researched, engaging, and up-to-date explanation of psychopathology, creating a

learning experience that provokes thought and increases awareness. By adopting a comprehensive bio-psycho-social perspective, this text takes students to levels of understanding that other books do not offer.

The 16th edition of *Abnormal Psychology* reflects the revision of the Diagnostic and Statistical Manual (DSM-5). Hundreds of new references have been added to reflect the ever-changing field of abnormal psychology.

MyPsychLab is an integral part of the Butcher / Mineka / Hooley program. Key learning applications include MyPsychLab video series with new virtual case studies.

Teaching & Learning Experience

- **Personalize Learning** - MyPsychLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance.
- **Explore Research** - The authors present their diverse research interests in an exciting way that provokes thought and increase awareness.
- **Improve Critical Thinking** - Review questions at the end of major sections within the chapters provide opportunities for self-assessment and reinforce learning.
- **Engage Students** - Most chapters begin with a Case Study to engage students' attention right from the outset.
- **Support Instructors** - A full set of supplements, including MyPsychLab, provides instructors with all the resources and support they need.
