Description:

Review Praise for 'Wicked Lovely': "Marr offers readers a fully imagined faery world that runs alongside an everyday world, which even non-fantasy (or faerie) lovers will want to delve into." Publisher's Weekly "The fantasy of being pursued by two young men is alluring in itself, but when one is a pierced and tattooed sexy outsider and the other is a blindingly beautiful King of Faery, how much better can it get? Readers will beg for a sequel." Washington Post "This is a magical novel! the first book in a trilogy that will guarantee to have you itching for the next instalment. * * * *" Bliss -- This text refers to an out of print or unavailable edition of this title.
