Description:

Review Jack has been impacted and transformed by his own sense of sonship, allowing every step he takes and all that he writes to affect those who are seeking a fresh insight into the biblical conception of God as a Father. -- --**Bob Mumford**, Chairman of Lifechangers Inc.

About the Author Jack and Trisha Frost have experienced great success in the pastoral ministry for many years, but have also experienced burnout, depression and marital and family problems as well. In 1995, God revealed a depth of His love that completely changed the way Jack functioned in both his family and in his ministry. This hard-nosed commercial fishing boat captain became a warm, tender-hearted father and husband. He and Trisha founded Shiloh Place Ministries with a vision to see the world experience the Father's healing love through the hearts of its leaders.
