Description:

Tween girls have access to an unbelievable amount of media and information with just a simple click of the remote or mouse. Every outlet they turn to attempts to subtly influence their worldview...and what they believe about themselves directly affects how they live.

Wynter Pitts, founder of *For Girls Like You* magazine, gives girls a new devotional showing them a

correct definition of themselves, opening their eyes to God's truth and the difference it makes in their lives. Each daily devotion includes a prayer to help girls apply the lesson.

"If you've wondered whether there is anything left on the planet to entertain your young beauties that promotes morals you'd approve of, look no further" —Author and speaker Priscilla Shirer
