#### Description:

#### About the Author

Amy Pixton, a mother of triplets, created Indestructibles after bits of traditional board books found their way into her babies' mouths. Amy lives in Kansas City with her husband and their three children.

Kaaren Pixton has been making art with children for many years. Kaaren's studio is at her home in West Linn where she lives with her husband, one dog, five chickens, goldfish in a pond and countless grandchildren romping in the gardens.
