### Description:

### Review

"Danny Danon is one of Israel's emerging leaders and a force for keeping Israel free and strong. He unabashedly rejects the notion of making concessions and capitulations to terrorists, whether individuals or rogue nations. His skills as a political figure are exceptional and matched by his keen intellect and commitment to a strong and stable Israel. You will love the strength, thought, and clarity of his book."--Mike Huckabee, host of Fox News's *HUCKABEE* and *New York Times* bestselling author of *A Simple Government*, among others

"Danny Danon has written an important and tough book about Israel's situation in the world today. Though I fundamentally disagree with many of his proposals, especially with regard to the West Bank and the two state solution, his is a voice of an emerging young leader whose views must be considered. It is written with passion and deep love for his country and is part of an important debate whose resolution will affect the entire Middle East, if not the world. Read it, argue with it, disagree with it—but don't ignore it."--Alan Dershowitz, Harvard law professor and author

"Deputy Speaker Danny Danon, a leading thinker and voice in Israeli politics, has written a book that offers a new way forward for the U.S. and Israel. By passionately calling for a partnership rooted in respect and strength, instead of patronizing calls for more concessions, Danon makes us look at the future of this special relationship in a whole new way."--Glenn Beck, #1 *New York Times* bestselling author and founder of GBTV

"A well-crafted and persuasive case, based on both historical experience and reason, that we should abandon land-for-peace for a whole new approach toward the Israeli-Palestinian conflict. The Palestinians have made their jihadist bed. Now, Danon essentially says, let them lie in it."--R. James Woolsey, chairman of the Foundation for Defense of Democracies; former director of Central Intelligence

"[One] Likud politician makes no effort to hide where his political allegiance lies in the US election: The man who has been called 'the Republican representative in the Knesset,' MK Danny Danon...Called *Israel: The Will to Prevail*, [Danon's] book has a message about the need for Jerusalem to make its own decisions that is very timely, thanks to the international debate over the handling of the effort to prevent Iran's nuclearization." --Gil Hoffman, *The Jerusalem Post*

"Though Danon is in his first term in the Knesset, his profile is rising quickly on the Israeli political scene—perhaps more than anything else because of his unapologetically nationalist vision for Israel's future...Danon outlines his blueprint for Israel's future in...*Israel: The Will to Prevail*." --Uriel Heilman, Jewish Telegraphic Agency

"It is that will to break the silence that is clearly reflected in Danon's newly released, refreshingly honest, groundbreaking book, *Israel: The Will to Prevail*...I find it impressive that this young 40-year politician has written a book which has the potential to make waves, and allow people to understand what nationalist Israeli politics looks like. Danon is an ideologue, a man who has spent his entire life fighting for the Jewish people—and this comes across clearly in his writing...The book reflects past, present, and future...Danon is a rising star of his party and I believe that his book is necessary reading for those who are interested in the Middle East and the State of Israel." --Ronn Torossian, *The Algemeiner*

## **About the Author**

Danny Danon is deputy speaker of the Knesset, chairman of World Likud and chair of the Knesset Committee for Aliya (immigration), Absorption and Diaspora Affairs along with being active in numerous other committees, including the Foreign Affairs and Defense Committee and chairing the Lobby for Widows and Orphans of the IDF. A rising star in Israel politics both in his homeland and abroad, He has contributed to publications including *New York Times* and the *Wall Street Journal*, and appeared on networks such as CNN and Fox News to discuss the status of Israel.

He lives in Moshav Mishmeret, Israel.
