Description:

****Let Love Stay is the sequel to Let Love In and has a HEA.****

****For mature audiences only - for language and sexual situations****

If you're lucky, you'll fall in love - truly, madly and deeply in love. But what happens when that honest and pure love isn't enough to erase your fears? What happens when your past rears its ugly head and threatens your future?

Maddy and Reid had that kind of love - the all-encompassing, Earth shattering, once in a lifetime

kind of love. Then life happened. Old wounds that were thought to be long healed and scabbed over are ripped opened and they are forced to face the possibility that, maybe, they are not strong enough to fight their demons and embrace the light.

Together, they found out what love is, but now they will each need to heal on their own before they can ever be together again. They must face their fears and beat down their pasts in order to find their way through this crazy uphill battle called love.

They've let love in, but now, they need to find out how to Let Love Stay.
