## **Description:**

**Review** "Kathryn has written the How-to-Book for authors of reviews, interviews, blogs, and social media. She has creative ideas for book signings, contests, and author speaking engagements. This is a great marketing outline for me, as I get ready to publish new novels. I highly recommend this book to the new author and anyone needing a quick update on book marketing."

**Michelle Renea Anderson, author of Shelby's Plan**

"This is an extremely useful little book...jam packed with tips that will help you market your book."

Many of us have sweat blood and tears to write and self-publish a novel, and then wondered how we could get it to sell. This book will really help. "

**Charlie Bray, author of Open House**
