Description:

2016 Edition. Messages From The Body is more than a BDR (Body's Desk Reference) from the

Homeopathy Field. Illnesses and disorders are linked to beliefs and changes of beliefs about oneself, about the nature of one's relationships with others, about position in the social world, and about where one stands in relation to the Universe. And these, in turn, are determined by life experiences, by interventions in the world, and by soul history. This reference book will bring awareness from the physical into the mental! Enjoy!
