#### Description:

#### Review

"Fresh, authoritative English translations from the sources."--Classical World

"A careful, scholarly edition of a variety of important texts from ancient mesopotamia. Dalley's scrupulous care in showing lacunae makes this a harder narrative for classroom use but her annotations are thorough and her insights illuminating."--Nick Humez, Montclair State University

"[Dalley] obviously controls the material as a scholar."--Comparative Civilizations Review

**Language Notes** Text: English (translation) --This text refers to an out of print or unavailable edition of this title.
