Description:

Review Praise for the Nauti Boy series:

"The Nauti series is one that absolutely no one should miss. The characters are brilliant, sexy and real; while the high-octane action and soul-gripping plots have you on the edge of your seat. I loved it!"--*Fresh Fiction*

"Steamy, smoking, hot, erotic, risqué. Romantic...intriguing and hard put down."--*Night Owl Reviews*

About the Author

Lora Leigh dreams in bright, vivid images of the characters intent on taking over her writing life, and fights a constant battle to put them on the hard drive of her computer before they can disappear as fast as they appeared. Lora's family, and her writing life coexist, if not in harmony, in relative peace with each other. Surrounded by a menagerie of pets, friends, and a teenage son who keeps her quick wit engaged, Lora finds her life filled with joys, aided by her fans whose hearts remind her daily why she writes.
