Description:

About the Author Anthony Horowitz is the New York Times bestselling author of The Gatekeepers series, Raven's Gate, Evil Star, Nightrise, and Necropolis, as well as the Alex Rider series, which includes Stormbreaker, Point Blank, Skeleton Key, Eagle Strike, Scorpia, Arc Angel, and Snakehead. He lives in London.

From When a 14-year-old Native American boy with special powers is separated from his twin, he finds himself on a journey that takes him from the Nevada desert to an ancient land. As he time-travels, he has only one goal: to reunite with his brother. This fast-paced story is marred by a misplaced, albeit talented, narrator. Simon Prebbles voice is excellent, but its British accent and theatrical tone simply are not appropriate for a story with mostly American characters. Its more suited for the fantastical twists the story takes about halfway through. Still, the book--third in a

series--strikes an entertaining balance between reality and fantasy. Overall, this is a journey worth taking. M.B. © AudioFile 2008, Portland, Maine-- *Copyright © AudioFile, Portland, Maine* --This text refers to an out of print or unavailable edition of this title.
