Description:

From Library Journal Written by a medical doctor and a certified nutritional consultant, this comprehensive guide to nutritional, herbal, and complementary therapies discusses natural healing programs for some 300 health conditions. Arranged in alphabetical order, it's a useful ready-reference tool, although it could have benefited from a good bibliography.

Review This second edition has been expanded to reflect the latest research on drug-free remedies

in the field of nutrition: as such it provides an excellent assessment and review of herbal tinctures and diets. From high blood pressure remedies to handling infections, this is packed with practical advice. -- *Midwest Book Review* --This text refers to an out of print or unavailable edition of this title.
