#### Description:

**Review AUTHOR'S NOTE:** Thanks to everyone for their reviews, good, bad or indifferent. I just want it known that this is a **SHORT** that details Xander and Kizzie's **BEGINNING**. Contrary to what some have stated, there IS an ending to this story, albeit not one that everybody likes. :)

Also, this is NOT the first two chapters of Wallbanger. M'Kay, that's all from me! Thanks for

reading, and as always, thanks for licking my INK.

--Sable J

**REVIEWS** are absolutely *critical* to both readers and authors, and maybe even more so for us indies. If you've got a sec, please (*pretty please* with cherries and everything) leave me a review!
