Description:

***There's something out there:
a juggernaut of evil bearing down to crush the Republic—
unless one lone Jedi, shunned and reviled, can stop it.***

Hero, traitor, conqueror, villain, savior—the man called Revan has been all of these. He left

Coruscant a Jedi, on a mission to defeat the Mandalorians. He returned a Sith disciple, bent on destroying the Republic. The Jedi Council gave Revan his life back, but the price of redemption was the loss of his memories. All that's left are nightmares—and deep, abiding fear. What happened beyond the Outer Rim that Revan can't quite remember or entirely forget? One thing he's certain of: Something dark is plotting to destroy the very existence of the Republic. With no idea how to identify the threat, let alone stop it, Revan may be doomed to fail. For he's never faced a more powerful and diabolic enemy. But only death can stop him from trying.

“An excellent book . . . [Karpyshyn] really draws the reader in.”—Eucantina

“Full of adventure, danger, and revelations.”—TheForce.Net
