Description:

Review Dr. Norman Vincent Peale *The Game of Life* is filled with wisdom and creative insights. That its teachings will work I know to be fact, for I've long used them myself.

Dr. Norman Vincent Peale By studying and practicing the principles laid down in this book one may find prosperity, solve problems, have better health, achieve personal relations -- in a word, win the game of life.

From the Publisher Charles William Daniel (1871-1955) was a maverick free-thinker whose tiny publishing house had august links with many of the most influential thinkers and movements of the 20th century. To wit, copies of Daniel's books could be found in the library at Ghandi's ashram. This spirit lived on after his death, and the company maintained its niche by publishing definitive texts on

a variety of spiritual and esoteric subjects. Many of these titles, notably those on Aromatherapy and Bach Flower remedies, have become standard works on the subject. When the C.W. Daniel list went looking for a new home, the Vermilion and Rider imprints were the natural place for this wonderful collection of authors.
