Description:

Keith and Barton know how to write a hints and solutions book. By offering a range of hints for each situation you face--from the faintest clue to dead giveaways--they let you choose just how much help you want. (Make sure you read the introductory section, "Using This Book.") Aside from the hints, the book features interesting information on the history of the *Titanic*, a discussion of some lingering mysteries of the disaster, and even a chapter on scientific theories of real-time travel--a fundamental aspect of the game.

From the Publisher With this fascinating guide, you get just some hints and tips or the whole solution to the puzzle, giving you a chance to alter the course of history...by saving the *Titanic* from the greatest maritime disaster of all time! - Get all this, plus character profiles, equipment

descriptions, navigation specs, and a glossary of nautical terms

- Discover an enlightening history of the Titanic's last voyage with documented factual accounts and fascinating theories
