Description:

Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spend our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: How do I have a great marriage? Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me

Forever will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, You and Me Forever will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net profits from You and Me Forever will go towards providing food, shelter and rehabilitation for thousands of orphaned children and exploited women around the world.
