Description:

In this extremely positive, motivational, and often laugh-out-loud memoir, Jake Paul pauses long enough from his supercharged day-to-day as a nineteen year old social media heartthrob and costar on the Disney Channel series *Bizaardvark* to share his takes on life, love, fame, and shooting for the moon.

Growing up as a regular kid in Ohio, Jake Paul always knew he wanted to do something big, but he wasn't sure what that thing was—that is, until he found his calling as one of Vine's most famous comedians. As a high school sophomore, Jake began making comedy videos with his older brother,

Logan, and posting them online. With every carefully staged prank, Jake and Logan's following grew—and after a few stumbling blocks, Jake finally forged his own way. Eventually, he traded his childhood home in Cleveland for sunny, sparkling Hollywood. In *You Gotta Want It*, Jake reflects on the path that led him to stardom. From learning the value of a disciplined work ethic, to achieving his goals and aspirations along the way to digital celebrity, to the crazy behind-the-scenes details of his journey as a creator and actor, Jake relates the most hysterical and intimate details of his life thus far—all with the signature humor, honesty, and unstoppable attitude that have won him millions of devoted followers.
