Description:

With his unmistakable rhymes and signature illustration style, Dr. Seuss creates a classic picture-book ode to aging in *You're Only Old Once!* On a visit to "the Golden Years Clinic on Century Square for Spleen Readjustment and Muffler Repair," readers will laugh with familiar horror at the poking and prodding and testing and ogling that go hand in hand with the dreaded appellation of "senior citizen." Though Dr. Seuss is known for his peerless work in books for children, this comical look at what it's like to get older is ideal for Seuss fans of advanced years. In his own words, this is "a book for obsolete children." A perfect gift for retirement, birthdays, and holidays!
