Description:

Review

“A page-turner that reads more like spy fiction than an exposé.”

—IronWorks magazine “An outstanding read. . . . I could not put it down.”

—Mark Bennett, United States District Court Judge, Northern District of Iowa “Fascinating, fast-paced . . . hypnotic. . . . The author’s command of detail and characters captures the reader’s imagination and mystifies.”

—Ruth Stevenson, Professor of English, Union College --This text refers to an out of print or unavailable edition of this title.

From the Back Cover As seen on *America's Most Wanted* and *Anderson Cooper 360°*

□“We can't be infiltrated, no cops can get inside on us, they don't have the resources, the manpower, or the time to wait. We're unbeatable and untouchable.”

□Sonny Barger

From *Running with the Devil*

It wasn't uncommon for outlaw biker gang members to put out contract hits on federal prosecutors and agents alike, eliminate material witnesses, and murder informants before trials. Much like a terrorist organization, the gangs ruled by fear, orchestrating a network of criminal masterminds whose mission it was to disrupt and chill investigators into club objectives. They were organized killers. . . . He motioned to the others to stop talking. Their faces froze in panic.

Something had gone terribly wrong. Bird reached for the phone, his nerves shattered, his fingers thick and awkward on the keypad as he dialed Beef.

A thousand scenarios raced through his mind. □“What's happened?” Bird's voice was tight, urgent. □“Get out,” Beef ordered. □“What's going on?” Bird pressed. □“Don't ask questions, just get out now!” Beef yelled. □“They're coming over to kill you.”
