Be honest. "Incredible story" isn't the first thing that comes to mind when you contemplate reading through the Bible. Maybe you've tried, only to get lost among obscure genealogies and ancient dietary laws. Maybe you don't have a clue where to begin.

At its most basic level, Christianity is a story about God and the remarkable lengths he goes to in order to rescue lost and hurting people. The Story gives you just that—the story of Scripture. Condensed into thirty accessible chapters, it reads more like a novel than your typical religious text. And like any good story, The Story is filled with intrigue, drama, conflict, romance, and redemption.
